

Front Cameo Data Sheet

Factsheet —

Materials: Fronts Cameo in L095 Seashell white satin and worktop in K040 Luna beige

Planning details: Railing system, OrganiQ interior fittings, extra-wide sink base unit

Picture description

Open for living: the light fronts in seashell white satin highlight the kitchen's modern rural character. This is further enhanced by the cornice on the tall and wall units with end shelf, whilst the kitchen island with its extension table frame brings order to the room. Then there are the optional matching fittings: the OrganiQ drawer inserts made from the sustainable materials hemp and kenaf are available in a range of models, and the recess rail can hold a kitchen roll holder, a storage space for vinegar and oil and many other handy features. The extra-wide sink unit with its symmetrical front division provides enough room for large sinks and waste management.

Material description

Cameo | 5-part satin lacquer shaker-style front, available in 28 colours

Satin lacquer is available in several aesthetically pleasing shades. The water-based dual cure lacquer system with UV drying doesn't just satisfy ecological requirements, it also ensures remarkable durability.

Front thickness: 20 mm
